

G70 HOPE GRANT

purpose

- G70 is seeking to award \$200,000* to an organization(s) that will develop and implement an initiative that will “***create hope for Hawaii’s future generations***”.
- **Think Big. Think Bold. Think Outside of the Box.**
- The winning proposal(s) should be new ventures which did not exist previously but can be initiatives which expand the reach of an existing program. Consider partnering with other organizations to enhance the capabilities and reach of your proposal.
- Collaborations and interdisciplinary approaches are a natural part of G70 culture, and fundamental to increasing our impact in the community.

* Intention is to provide the greatest flexibility in consideration of awards. As such, no set amounts for the awards and no specific timelines are given. Recipient organization must be a non-profit but partners can be for profit.

proposal requirements

Project Title

Organization Information

Financial Information

Describe your organization's financial model and how it supports your nonprofit's programs, services, and infrastructure. Share any financial challenges your organization is experiencing or may face within the next year and any plans to address these challenges (1000 characters max)

Organization name, chief name, chief title, address, headquarters, incorporation yr, mission statement (2000 character max), staffing, service locations, ages served, demographics, annual operating budget.

Contact Information

Proposals point of contact name, email, and phone number

Description of Project

Alignment with "Creating Hope for Future Generations" (4000 characters max)

Project Team Structure

Principal participants and partners (if any). Participants are encouraged to partner with other organizations who would further the reach and impact of the proposal. Collaborations and interdisciplinary approaches are encouraged as this is fundamental to increasing impact in the community. Provide a brief description/narrative of each partner organization

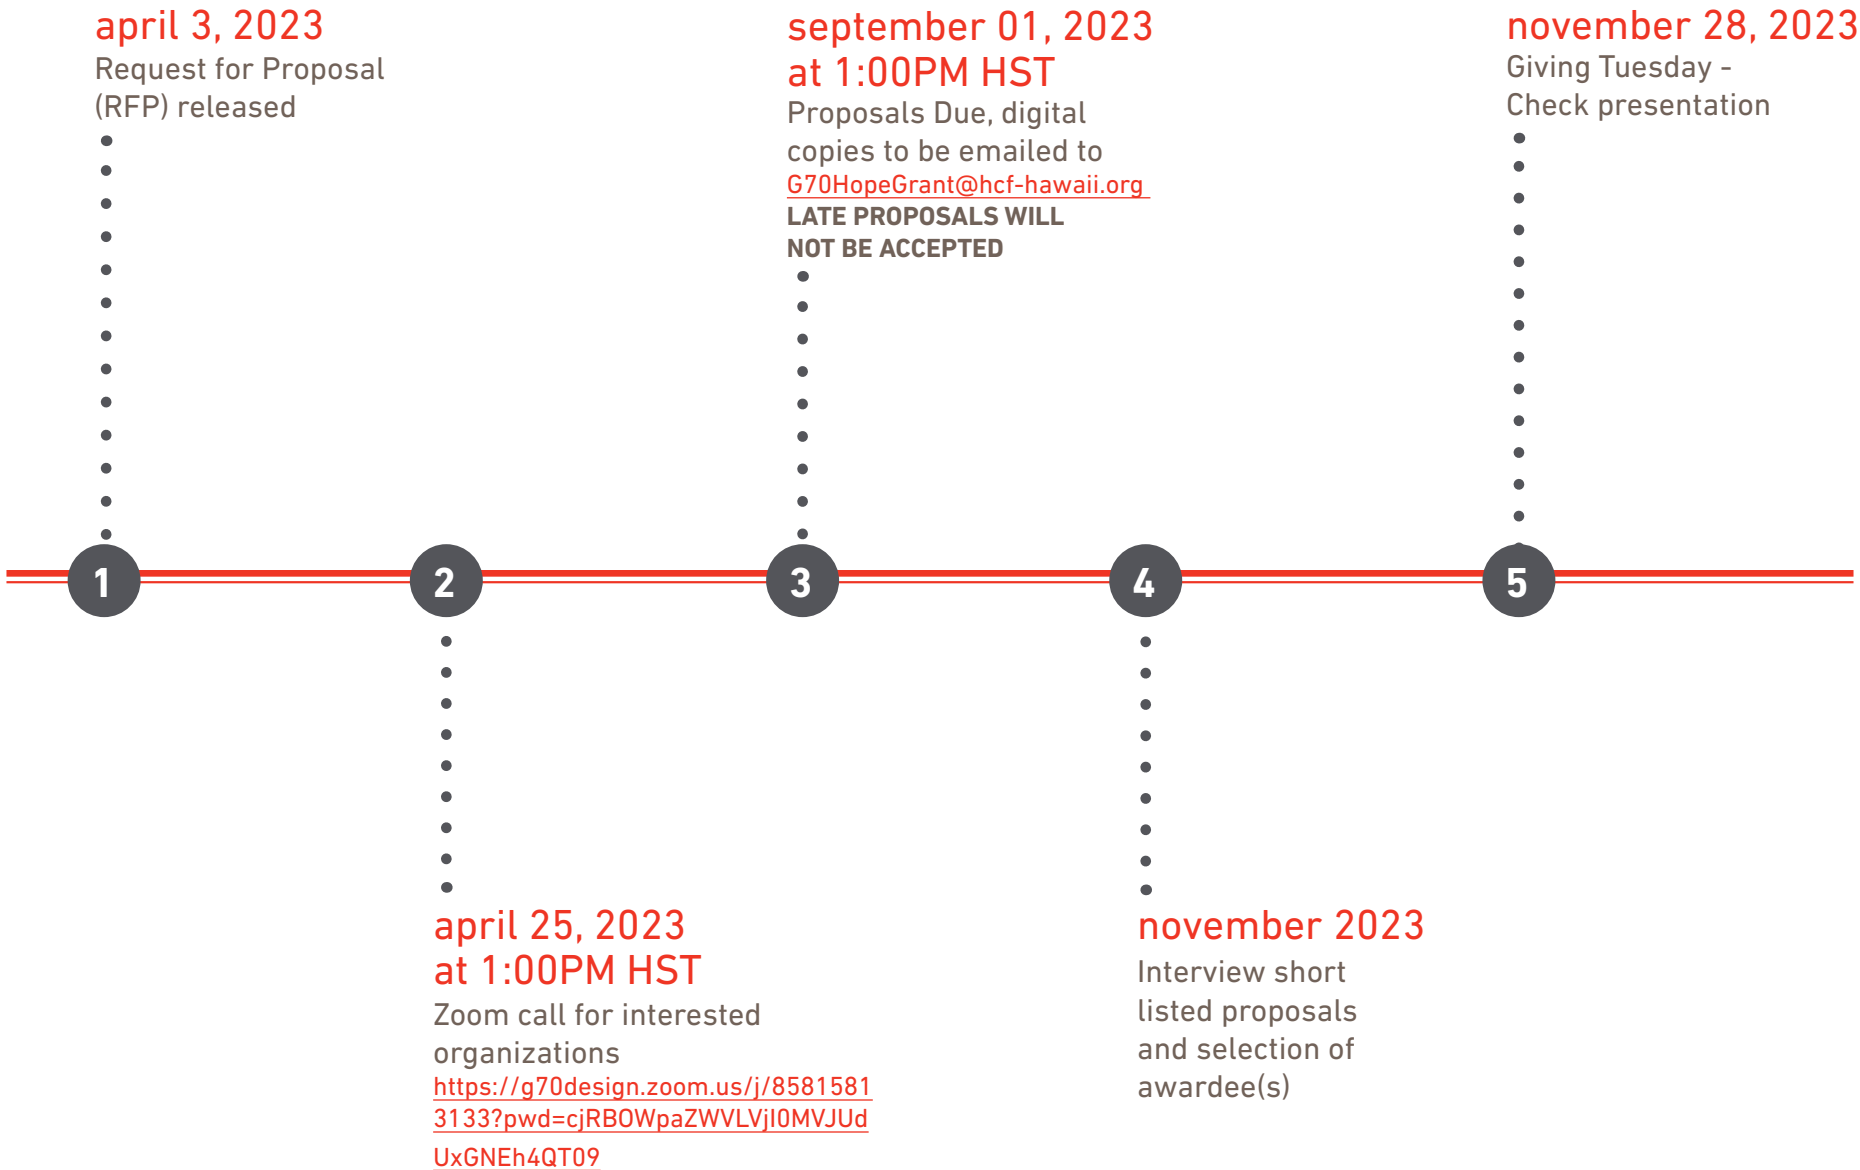

Funding Amount Request

Describe the total cost of the project, how the HOPE GRANT and other funds (if needed) will be used to achieve your project

Timeline

Provide a timeline for implementation with key milestones

grant timeline
